A photograph of a modern interior space. In the foreground, a portion of a light-colored sofa is visible. A large, textured concrete pillar stands in the middle ground. In the background, there is a white wall with a built-in shelving unit consisting of several drawers and open shelves. The lighting is soft and even, highlighting the architectural details.

## Matthew Patrick Smyth

Matthew Patrick Smyth's fifth-floor bedroom expertly balanced the richness of the room's original wood paneling with lighter and fresher carpets and fabrics. Abstract paintings gave the room a distinctly modern appearance.
