

Kitchen by award-winning designer Matthew Patrick Smyth. Most design pieces from his personal collection; brass coffee pot from Florian Papp Antiques, New York.

## ✔ WHAT WILL A **DETAIL** INSPIRE?

Perhaps a sense of beauty. A moment. Even a higher standard. It's all possible with the new Jenn-Air™ Built-In Coffee System. Going beyond espresso and cappuccino to bring you remarkable precision. With 13 levels for grinding beans, control over the strength and size of every cup and effortless cleaning, its details promise rich new experiences—and everyday pleasure.
